

VADODARA INSTITUTE OF ENGINEERING

Lab Planning – Practical

Subject: Mobile Application Development
Discipline: BE
Academic Year: 2025-2026
Employee code: 25CE0587

Subject Code: DI04016051
Semester: 4th
Name of Faculty: Naman Shah
Total no of lab planned: 14

Teaching and Examination Scheme:

Teaching Scheme			Credits	Examination Marks		Total Marks
L	T	P	C	Theory Marks	Practical Marks	100
				ESE (E)	ESE (V)	
3	0	2	4	70	30	

L- Lectures, T-Tutorial, P-Practical; C-Credit; ESE- End Semester Exam; PA- Progressive Assessment

Lab Turn on:	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
		√				

Lab. No.	Practical Covered	Planned Date	Actual Date	HOD's Sign	Remarks
1.	Write android program to display "Welcome to android".	06/01			
2.	Write android program to demonstrate usage of string.	20/01			
3.	Write android program to demonstrate activity life cycle.	27/01			
4.	Write android program to change the background of activity.	03/02			
5.	Write android program to perform all operation in calculator.	10/02			
6.	Write android program to create multiple activities within an application.	17/02			
7.	Write android program to demonstrate action button by implementing ONCLICKLISTENER.	24/02			
8.	Write android program to demonstrate sound button application.	10/03			
9.	Write an Android application to convert into different currencies for example, Rupees to dollar.	17/03			
10	Write an android application to count library overdue.	17/03			
11	Write an android application to convert a ball from size of radius 2(colour red) to radius 4(colour blue) to radius 6 (colour green). The ball must rotate in circle for 1 minute before changing size and colour.	24/03			
12	Write an application to mark the daily route of travel in map.	24/03			

VADODARA INSTITUTE OF ENGINEERING

13	Write an application to record video and audio on topic "Intent" and play the audio and video.	07/04			
14	Write android program to set the wallpaper of your device using bitmap class.	07/04
