Event : VIEROTSAV-Disc Throw(Boys/Girls)

Venue: Vadodara institute , Kotambi

The Disc Throw event for boys and girls was organized efficiently under my coordination during the sports festival. The event attracted active participation and showcased the athletic abilities of the students.

Proper arrangements were made for the throwing area, ensuring safety and adherence to standard rules. Participants were instructed about the correct technique and regulations before the start of the event.

The competition proceeded in an orderly manner, with each athlete performing their throws under supervision. Measurements were taken precisely, and results were recorded systematically. The event was conducted with fairness, discipline, and enthusiasm.

The Disc Throw event concluded successfully, highlighting strong participation and excellent coordination, making it a valuable part of the overall sports festival.
